WOMEN & THE VOTE: The History of the League of Women Voters

“Empowering voters. Defending democracy.” In 1920, the League of Women Voters was founded to support women’s participation in public life after having won the right to vote. Today, over 99 years later, the LWV is a non-partisan group that works to protect voters’ rights as well as supporting legislation protecting the common good. Please join us for an evening learning the history of the LWV. Carol Proven (President, LWV PWA) and Carol Noggle (President Emeritus) will discuss how the group’s past and how its important work continues to this day. No reservations required.
