PROPOSED CONSTITUTIONAL AMENDMENT ARTICLE X. Taxation and Finance.

Section 6-A. Property tax exemption for certain veterans and their surviving spouses and surviving spouses of soldiers killed in action who died in the line of duty.

BALLOT QUESTION

Should the Constitution of Virginia be amended so that the tax exemption that is currently available to the surviving spouses of soldiers killed in action is also available to the surviving spouses of soldiers who died in the line of duty?

EXPLANATION FOR VOTERS

Present Law: Generally, the Virginia Constitution requires that all property be taxed. It also sets out specific types of property that may be exempted from taxation. Currently, the Virginia Constitution allows the General Assembly to exempt from taxation the principal place of residence of the surviving spouse of any soldier who is determined by the U.S. Department of Defense to have been killed in action.

Proposed Amendment: The proposed amendment would expand this current tax exemption so that it is available to all surviving spouses of soldiers who are determined by the U.S. Department of Defense to have died in the line of duty, including those who have been killed in action.
